Subject: [EXTERNAL] Touching base re: upcoming deadlines
Date: Sunday, November 28, 2021 11:10:09 AM

Hello

Touching base with a reminder that all four application documents for the Dearborn

Foundation Scholarship, the application, letter of recommendation, official transcript and

Mechanical Test, must be postmarked by February 15, 2022. Each may be submitted independently.

We highly recommend that applicants take the Mechanical Test before the winter holiday break. For more information about the mechanical test, see FAQ's at www.dearbornfoundation.com.

Any questions, please get in touch.

Most Happy and Safe Holidays from everyone here at the Dearborn Foundation!

Suzanne Tolleson, Program Director
