

Openings for Undergraduate Student Assistants (UG-SAs) for ARCH

Dear Students,

We have openings for the position of Undergraduate Student Assistants (UG-SAs) for the courses being offered during the summer Arch. ECSE Arch classes will run for the full 12 weeks. If you took the course being offered and obtained a B+ or better, you may apply. You don't need to register for summer classes to be eligible. Please complete the attached form and return it directly to Professor Lu (luj@rpi.edu). You may select more than one course as your preferences to increase your chance to receive an UG-SA offer. UG-SA positions will be offered based on the course needs, applicant's information provided, and on a first-come first-served basis. UG-SA will be paid by the Institute with a rate between \$12 and \$15 per hour.

Any questions, please contact Prof. Lu.
